WHAT OUR STUDENTS HAVE TO SAY...

The program itself is diversified, with classmates from all over the world. The discussions are likewise very international, with everyone voicing their opinion about what it is like in their country in comparison with the state of affairs in Israel. The faculty is amazing and I enjoyed the discussions with them and learned a lot in the process. In fact, it is not only a legal program, but also a window onto Israeli culture and society.

Yue Gao, China
Class of 2016

I really valued the intellectual rigor of the class discussions in the faculty seminars and workshops. Having the opportunity to discuss issues of contemporary significance while reviewing cutting-edge research with Israeli and international scholars at the masters and doctoral level was something new for me. I learned how to engage directly with scholars and provide constructive feedback in real time.
