A renowned expert in criminal and constitutional law, Professor Dershowitz is at the heart of ongoing legal and political debates in the US and Israel. A lifelong Democrat, he has drawn fire for his recent Senate testimony making the case against presidential impeachment. In Israel his opinions regarding the indictments against Prime Minister Netanyahu have also stirred great controversy.

Join us for a conversation with Professor Dershowitz for a wide-ranging discussion on law, politics, and dangers he perceives to two democracies he cares deeply about.
